# INTRO DUCTION

FuMMA – Furniture Manufacturers and Merchants Welfare Association of Kerala was established with a mission to unite the manufacturers of Kerala furniture industry and create value based improvement opportunities for furniture manufacturing in Kerala. The main vision of FuMMA is to sustain and implement global trendsetters in design, quality & value in Kerala’s furniture industry and to take furniture manufacturing in Kerala to the next level conforming to global standards.

India being the largest furniture importer in the world, with a 19% share in the furniture imports worldwide and major part of this industry, approximately 85% is in the unorganized sector. Hence, the mission of FuMMA is to channelize manufacturers to greater quality standards, newer designs and technology. FuMMA also establish a platform for interaction between other allied associations and knowledge enhancement through alliances to develop performance standards for furniture. FuMMA also focus on skill development courses for young men aspiring for a career in furniture design and trade.
